SUNDHAR M

+91 9600243663 | sundharhari003@gmail.com | LinkedIn | Chennai, Tamil Nadu

PROFILE SUMMARY

Results-driven Computer Science student passionate about technology and committed to continuous learning. Seeking opportunities in Front-End, Full Stack and Software Development, with meticulousness as a valuable asset.

EDUCATION

Karpagam College of Engineering, Coimbatore	**2020 - 2024**
B.E in Computer Science Engineering	CGPA – 8.4*
Jayapriya Vidyalaya Senior Secondary School	**June 2019 - March 2020**
HSC	Passed with 71%
Jawahar Higher Secondary School	**June 2017 - March 2018**
SSLC	Passed with 79%

PROJECTS

Food Delivery Application using REACT Js
- Built a feature-rich food delivery app using **React.js**, providing users with an intuitive interface, real-time order tracking.
- The admin panel includes options to add items, list items, and manage orders, which can be altered by the admin.

Weather Prediction Application using API
- Developed a Web Application that predicts the weather of the user described city using **JavaScript** API's.
- Utilized **HTML** and **CSS** for a user-friendly and responsive interface.

Personal Finance Tracker
- Developed a Python project using Pandas to process income and expenses from a CSV file, and Matplotlib to visualize net savings, analyzing financial data and generating insightful graphs.

Alzheimer's Disease Prediction using Machine Learning
- Developed a machine learning model to predict the likelihood of Alzheimer's disease onset based on patient data, contributing to early detection and intervention efforts.

SKILLS

Programming Language	Java Programming, Python
Frontend Development	HTML, CSS/Bootstrap, JavaScript, React.js
Backend Development	Node.js
Database	MySQL
Version control	GitHub, Visual studio

CERTIFICATIONS

Udemy: Web Development
Infosys Springboard: Beginner Web Development
Skillrack: Java Programming

AREA OF INTEREST

Python Programming, Frontend Development, Java Programming.
